The ✠ prefixed to the Class in the Register Book indicates that the Vessel is under the Supervision of the Surveyors. No Vessel will be classed or retained classed unless she is under the supervision of one of the Committee's Surveyors. The Committee's Rules for the construction of vessels to be classed are carefully enforced by their Surveyors. Where Surveys have been held on such vessels, no opinion is expressed as to their character.

The ✠ prefixed to the names of vessels denotes Vessels built under Supervision of the Bureau. The Council will furnish on request information and approximate estimates for repairs. The participation of the surveyors of the Bureau in the construction of vessels classed with the Bureau is optional. As the surveys have been held on such vessels, no opinion is expressed as to their desirability.

The ✠ prefixed to the class symbol denotes Vessels built under Supervision of the Bureau. No Vessel will be classed or rated unless surveyed and opened according to rules. The publication of the particulars of unclassed vessels is for general information only. As no surveys have been held on such vessels, no opinion is expressed as to their character.

The ✠ prefixed to the class symbol denotes Vessels built under Supervision of the Bureau. As Vessels will be classed as rated either Seagoing Vessels or Yachts, the endorsement of any particular vessel is for general information only. As Surveyors have been held on such vessels, no opinion is expressed as to their character.

The ✠ prefixed to the class symbol denotes Vessels built under Supervision of the Bureau. No Vessel will be assigned an equal notation unless surveyed and found according to Rules. The participation of the Bureau in the construction of merchant vessels is not limited to those for which surveys have been held on such vessels, its opinion is expressed as to their classification.

The ✠ prefixed to the class symbol indicates Vessels built under the Supervision of the Bureau. The Record will be found to assist owners and others in many ways. The publication of the particulars contained in the Register Book and Record does not imply that all Vessels classed with the Society have been built under its Supervision, or that its Rules are applied to all Vessels classed therein.

The ✠ prefixed to the class symbol denotes Vessels built under the supervision of the Bureau. Such Vessels are classed as passenger vessels, cargo vessels, tank vessels, etc., according to their construction and equipment for the service for which they are intended. The publication of the particulars of merchant vessels in the general information section does not imply that such vessels have been built to, and classed by the Bureau, or that the opinion is expressed as to their classification.
